Pre-Screening Guidelines

Things to Bring

- Identification Card / Passport / Company's Letter / Staff Pass (for verification upon registration).
- Past Ultrasounds / Mammogram reports.

Preparations

- Please fast for at least 10 hours before your scheduled appointment to ensure accuracy of your blood tests and other tests (e.g. ultrasound abdomen). Plain water is allowed during the fasting period. Light refreshments will be provided after your blood specimens are taken.
- Please do not take your diabetic medication on the morning of the scheduled appointment. You may consume it after the screening tests are completed. Regular high blood pressure and heart medication can be taken as per usual.
- If you require spectacles, please bring them along for your vision tests. Kindly avoid wearing contact lenses on the day of your appointment.
- Eyedrops may be used to dilate your pupils if retinal photography is included. Following retinal photography, please refrain from driving on the day of your appointment as dilation of the pupils can cause temporary blurring of vision for up to a few hours.
- You may bring your running shoes and sports attire to change for your Treadmill Stress ECG.
- The urine and stool specimen bottles will be provided on the day of the screening.
- For ladies, please schedule your appointment 5 days after your last day of menstruation.

Operation Hours

Mondays to Fridays: 8:30 a.m. - 5:30 p.m.

Saturdays & Eve of Public Holidays: 8:30 a.m. - 12:30 p.m.

Sundays & Public Holidays: Closed
